IF YOU BELIEVE SPACE SHOULD BE MORE THAN A SPECTATOR SPORT, JOIN THE MOON SOCIETY AND HELP PUT MANKIND ON THE MOON TO STAY!

The Moon Society is a non-profit educational and scientific foundation formed to advance scientific study and development of the Moon.

Goals of the Moon Society

- To create a space-faring civilization which will establish communities on the moon and beyond
- To advance large-scale space industrialization and private enterprise on the moon
- To increase public interest and awareness of exploration, research, development, and settlement of the moon
- To stimulate and encourage development and use of space technologies on Earth and in space
- To enable collaboration between various societies and groups interested in developing and utilizing the moon

The Moon Society was established as an independent organization by Artemis Society International. ASI, founded in 1994, is the scientific and educational research foundation of the Artemis Project, an ongoing commercial venture to establish human settlements on the Moon. More information about the Artemis Project is available at <http://www.asi.org/>

To join the Moon Society, send this form to the address below, or use your credit card at <http://www.moonsociety.org/>.

The Moon Society is a 501(c)3 tax-exempt organization. Your donations may be tax-deductible.
